April 17, 2015

We're Flying High Over..!

- ◆ We tested on Topic 15 in Math. Topic 16 is about addition facts to 18. Please practice counting pennies, nickels, dimes, and quarters to a dollar. Your child should also know the value and name of these coins.
- Keep on working on touch addition and subtraction and flash cards. Please finish the timings that are sent home as extra practice.
- Work on saying the greater number.
- We are learning about caring for our earth during unit time.
- April 20-May 8 -We will be collecting pennies and coins for the rain forest.
- See back for more information

Upcoming Events:

- April 20-May 8-Coin collection for the rain forest.
- April 21-Family Fun Night, 6:30-7:30, Media Center
- April 22-Earth Day
- May 15-Field Day
- May 26-Dragon End Zone
- May 27-Field Trip to Como Zoo
- May 28-Last Day of school

Homework

1. Reading daily Take Home sheets or other reading homework.
2. Practice saying and writing numbers from 1-120.
2. Work on saying the greater number and memorizing math facts.
4. Work on Math Minutes for April.
5. Read for fun!
6. Practice tying shoes.

If you are interested in chaperoning on the Como Zoo field trip please let me know. We will need about 7 chaperones.

Just a reminder:

- ***Homework due on Wed.**
- ***Please be working on MATH minutes and read at least 5 books for April.**
- ***We are running out of tissues in our classroom. If you have an extra box at home could you send it please?**
