April 10, 2015

We're Flying High Over...

We are working on Topic 15 in Math. It is about telling time to the hour and half hour. Please practice counting pennies, nickels, dimes, and quarters to a dollar. Your child should also know the value and name of these coins. Keep on working on touch addition and subtraction and flash cards. Please finish the timings that are sent home as extra practice. Work on saying the greater number.

Homework

1. Reading daily Take Home sheets or other reading homework.
2. Practice saying and writing numbers from 1-120.
2. Work on saying the greater number and memorizing math facts.
4. Work on Math Minutes for April.
5. Read for fun!
6. Practice tying shoes.

Upcoming Events:

- April 13-Teacher's Inservice, no school.
- April 21-Family Fun Night, 6:30-7:30, Media Center
- May 15-Field Day
- May 26-Dragon End Zone
- May 27-Field Trip to Como Zoo
- May 28-Last Day of school

If you are interested in chaperoning on the Como Zoo field trip please let me know. We will need about 7 chaperones.

Just a reminder:

- ***Homework due on Wed.**
- ***Please be working on MATH minutes and read at least 5 books for April.**
- ***We are running out of tissues in our classroom. If you have an extra box at home could you send it please?**
